

Only AvaDent® lets you regain your youthful smile with the natural look and feel you thought you'd lost forever.

Plus AvaDent Offers You...

Reduced Appointments. AvaDent can cut your time in the dentist chair by more than half!

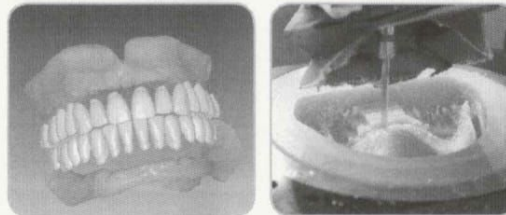

*Now you can get an AvaDent in just **two appointments** instead of the traditional five or more!*

What's in a name.

Ava means rebirth and Dent stands for dentition. Together AvaDent means "The Rebirth of Your Smile"

Exceptional Fit. AvaDent takes your digital record and creates your virtual denture right on the computer. Once the design is perfect it is precision milled for extreme accuracy and fit.

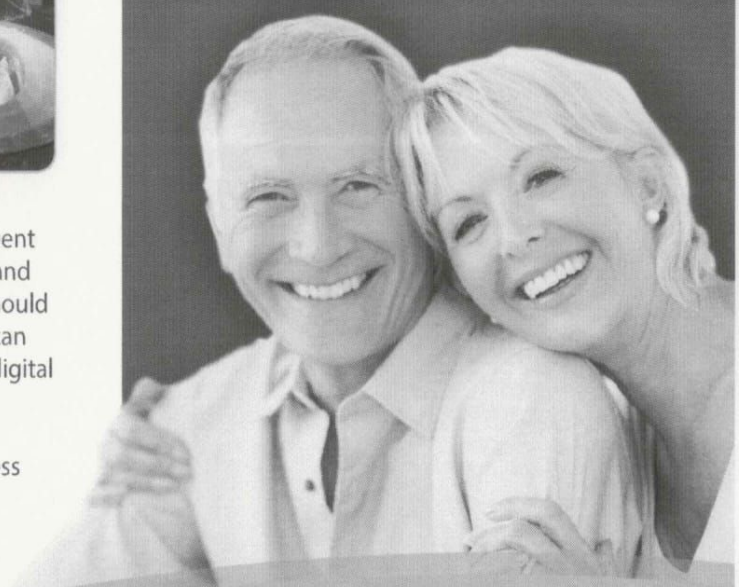

Permanent Digital Record. Only AvaDent Digital Dentures offer you the convenience and protection of a permanent digital record. Should you ever lose or damage your AvaDent, we can quickly create your new Avadent using the digital records on file.

More Bio-hygienic. Our patented process reduces the buildup of bacteria forming on your AvaDent helping to eliminate sore spots and "denture breath".
